Junior. Participation in Interclub competition teams; 9 to 18 years old.

Avonhead has many teams playing inter-club competitions, Friday night or Saturday morning. The coach offers each team (of about 4 or 5) preparation for inter-club competition, support and 14 sessions (of 45mins) of specialist coaching, at an allocated time during the week. The coach manages the teams, with the assistance of the Club Junior Convenor.

Avonhead is rare amongst tennis clubs in that the very senior club coach personally trains each junior interclub team.

Subscription: Coaching \$150, Club membership and team administration \$70. Total \$220

The coaching portion can be paid directly to the coach or combined with a payment to the Club

NOTES

Year: The Club tennis year is from 1 August to 31 July. Some ‘Age Competitions’ use the age that the Junior is on the 1st of January in the middle of the tennis year.

Interclub competition: You must be a paid-up financial member before starting interclub matches.

Coaching: AVONHEAD is a development club, so junior interclub competition players are expected to participate in the coaching programme, unless they are accepted into a team after joining as a Senior ‘Young Adult’ member.

THE ‘SHANE TAINUI’ COACHING PROGRAMME FEE CAN, IF YOU WISH, BE PAID DIRECTLY TO THE COACH.

Coaching is a separate operation from the Club. The coach may vary timetables or fees.

Court Use: Junior Members can use the courts at other approved times, outside of their coaching schedule.

OTHER FAMILY MEMBERS WHO WISH TO USE THE COURTS ARE EXPECTED TO JOIN THE CLUB.

ONLY ABOUT \$10 OF THE JUNIOR SUBSCRIPTION GOES TO SUPPORT THE CLUB

Parental assistance is always welcome and is vital to the smooth, low cost running of Junior play.
